## **TERMS AND CONDITIONS**

- 1.General. The Internet Service Request form on the reverse page ("page 1" of fax transmittal), together with these terms and conditions, shall form an Form ("Ex- hibitor") and Guest-tek if Exhibitor has submitted the Order Form agreement between the entity named on the Request to Guest-tek, along with full payment, and the Order Form and full payment have been received and accepted by Guest-tek. As detailed below, Guest-tek will provide an Ethernet connection to the Internet attachment at show referenced above for the use of Exhibitor's employees and guests
- 2.Use of Network Connection. The network attachment to be provided by Guest-tek may be used only by the employees of Exhibitor, its guests at the Show and its agents and consultants while performing services for Exhibitor. The Guest-tek network will facilitate communications between the Exhibitor's authorized users and the entities reachable through the national Internet. Users of Guest-tek network services shall use reasonable efforts to promote efficient use of the networks to minimize, and avoid if possible, unnecessary network traffic and interference with the work of other users of the Interconnected networks. Users of Guest-tek network services shall not disrupt any of the Guest-tek or other associated networks as a whole or any equipment or system forming part of their systems, or any services provided over, or in connection with, any of the Guest-tek or other associated networks. Guest-tek networks shall not be used to transmit any communi- cation where the meaning of the message, or its transmission or distribution would violate any applicable law or regulation or would likely be highly offensive to the recipient or recipients thereof. Mass distribution of any message, including advertising, may not be "broadcast" or otherwise sent on an intrusive basis to any user of the Guest-tek network or any directly or indirectly attached network. However, when requested by a user of the networks, product information and other commercial messages are permitted to be transmitted over the network. Discussion of a product's relative advantages and disadvantages by users of the product and vendors' responses to those who pose questions about their products, may be made available over the Guest-tek networks. Interpretation, application, and possible modification of this Section shall be within the sole discretion of Guest-tek. Questions about any issue arising under this Section should be directed to Guest-tek by attaching Exhibitor when it first arises.
- 3.No Warranties: Limitation of Liabilities. Guest-tek DOES NOT MAKE ANY EXPRESS OR IMPLIED WARRANTY OF ANY KIND, THERE IS NO EXPRESS OR FITNESS FOR A PARTICULAR PURPOSE FOR THE SERVICES TO BE PROVIDED HEREUNDER. The protocols used on the Guest-tek network (TCP/
- IP) call for end-to-end verification of the accuracy of any message and such verification is the sole responsibility of Exhibitor. Similarly, these protocols provide for endto-end verification of the receipt of all of the data that is transmitted. Guest-tek will not be responsible for any loss of data from delays, non-deliveries, incorrect deliveries, or service interruptions. Use of information obtained via the services provided hereunder is at Exhibitor's own risk. Exhibitor is solely responsible for
- (a) the accuracy and/or quality of information obtained or data transmitted through the Guest-tek network and (b) assuring that each message Exhibitor sends or receives has been received. Guest-tek will coordinate with Hotel for connection to exhibitor's booth. Guest-tek engineers or Hotel AV technicians will test the cable designated for the exhibitor's use to ascertain that a host can ping (i.e. route IP traffic) using the IP's assigned to exhibitor. Guest-tek cannot vouch for adequacy
- of Hotel building's wiring and shall not be liable for damages, for delays, service interruptions or related problems that exhibitor might experience in achieving con-nectivity. Guest-tek shall not be liable to Exhibitor for any damage arising from any event that is out of the control of Guest-tek. Neither shall Guest-tek be liable to Exhibitor for indirect, special, incidental, exemplary, consequential, or any other form of money damages, including, but not limited to, lost profits, or for the loss of data or information of any kind, however caused, and arising out of or in connection with the performance of Guest-tek, or the provision of services or performance hereunder, whether based in contract, tort, or any other legal theory, and whether or not Guest-tek has been made aware of the possibility of such damages. In no event shall liability exceed a refund of amounts actually paid to Guest-tek by Exhibitor for this network attachment.
- 4.Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts to be per- formed entirely within the State.
- 5. Duration of Network Attachment. The Internet attachment shall be made available by Guest-tek to Exhibitor 1 day before the beginning and through the end of the referenced show, at the Hotel based on availability.
- 6.Duties of Each Party. Guest-tek shall provide a network attachment via an Ethernet connection at the booth of Exhibitor. At its own expense, Exhibitor shall be responsible for providing the computer, the attachment to the Ethernet, electric power, and all other hardware, software (including TCP/IP software) required to use the network attachment.
- 7.Entire Agreement. This Agreement represents the complete agreement and understanding of the parties with respect to be subject matter Here in, and super- sedes any other agreement or understanding, written or oral. The Agreement may only be modified by a writing, signed by both parties.
